

Our Community

The Kay Meek Centre is honoured to have the Mailey Rogers Group Scotia Wealth Management as our Season Sponsor for 2016/17. This is their 7th season as our lead sponsor and demonstrates an enduring commitment to the arts in our community. Prior to becoming the Season Sponsor, Mailey Rogers Group supported the classical matinee series Musically Speaking and were presenting sponsors for several music and theatre performances.

Kim Mailey and Victoria Rogers epitomize local corporate leadership by attending performances, bringing friends and family to our shows, and having a sincere interest in the full range of local and international artists presented at the Kay Meek Centre.

Kay Meek Centre greatly values corporate partners who recognize how the performing arts enrich a community and touch the lives of many. We applaud Kim and Victoria's personal enthusiasm and the corporate commitment from their entire team. Our deepest thanks.
